"TIGER" FOR CLEVELAND,  
SAYS SENATOR SMITHJersey Leader Says He Is Logical  
Candidate.

SARATOGA, Aug. 19.—"I conferred with the Tammany leaders, Charles F. Murphy and a number of other New York Democrats, and all agreed with me that the only thing to do was to nominate Mr. Cleveland."

"I am sure that New York State will be in line for him at the convention. So will the whole East and Middle States. Whether Bryan and his friends can beat him is hard to tell."

"You and I will be put down as Cleveland boomers by and by, but if our people are as sensible as I take them to be, they can elect him. He is the only man they can elect at this time."

In these pointed sentences ex-Senator James Smith, Jr., the Democratic leader of New Jersey, summarizes the result of his efforts to advance the Cleveland Presidential boom in the Empire State.

SUIT TO FORECLOSE  
A HUGE MORTGAGE

NEW YORK, Aug. 19.—An action was commenced in the United States Circuit Court yesterday by the New York Security and Trust Company against the United States Shipbuilding Company and James Smith, Jr., receiver, to foreclose a mortgage given by the shipbuilding company to the trust company, as trustees, to secure the payment of a series of twenty-year 5 per cent collateral mortgage bonds, amounting to \$10,000,000. The mortgage covers all the property of the shipbuilding company and the capital stock of the Bethlehem Steel Company.

DISCHARGED EMPLOYEE  
KILLS A MILLIONAIRE

OSHKOSH, Wis., Aug. 19.—Thomas R. Morgan, a millionaire sash and door manufacturer, was shot to death yesterday by Frederick Hempel, a discharged employee, who, it is said, was under the influence of liquor. The shots were fired from behind, each entering the back. Mr. Morgan walked unassisted from the scene of the shooting in Fifth Street to his office at Oregon and Sixth Streets. He died while being taken to a hospital in an ambulance.

## CLOTHIER'S FINE PLAYING

Singles in Newport.

NEWPORT, R. I., Aug. 19.—Kreigh Collins and L. H. Waidner, the Western doubles champions, furnished the sensation of the first day of the National Lawn Tennis Tournament on the Casino courts yesterday by winning a straight set victory over Holcombe Ward and Leo E. Ware, the Eastern champions.

Great credit is due to Collins for his brilliant work, he making many more places than any of the others, without making more errors. One of the strongest factors in the victory was Collins' service, which he won every time throughout the match. Waidner was steadier than was expected, and backed up Collins in excellent shape. Ward and Ware, on the other hand, did not play the game shown earlier in the season.

Out of Form.  
Excepting the third set, when they got the lead, four games to one, they did not exhibit the form displayed at Longwood. Ware was particularly unsteady in the opening set, but improved later in the match. Ward played a fairly even game, but lacked force in all his strokes, and particularly in his service.

The feature in the singles was the match between W. J. Clothier and B. C. Wright, which went to the Philadelphia, ending in a runaway. Wright was clearly off his game and never once showed up at his best. Except in the first set, which he won 6-4, he did not make a creditable stand, and in the last set he was outpointed two to one, winning only a single game.

The question of which of the Dohertys would default was settled yesterday, and R. F. Doherty will not play at all in the singles.

## JOCKEY KILLS HIMSELF.

A NEGRO SANITARIUM  
IN FASHIONABLE SECTION

INDIANAPOLIS, Aug. 19.—A negro barber named George Knox, and a Dr. Frisbee, well known among the negroes of this city, yesterday obtained the deed of a house and lot in the most fashionable section of town, adjoining the residence of a millionaire. The millionaire, as well as owners of adjacent real estate, having believed that the report was circulated to compel them to purchase the property at an exorbitant figure, had refused to take a step to prevent the sale. They are exceedingly chagrined to find that the report was true. The property is to be used as a sanitarium for negroes.

ATTORNEY GENERAL  
IN WABASH FIGHT

PITTSBURGH, Pa., Aug. 19.—Attorney George M. Hosack has filed the replication of Hampton L. Carson, attorney general, to the return of the Pittsburgh, Virginia and Charleston Railroad Company to the quo warranto proceedings brought to forfeit the latter's franchise for rights of way along the west bank of the Monongahela River between West Brownsville and Millisboro. The contest is to penetrate the upper Monongahela Valley, and the Pennsylvania Railroad Company. It is asserted that the Pittsburgh, Virginia and Charleston Railroad Company has forfeited its rights to construct a railway along the disputed route, and that the company is only exercising the franchise to keep out other corporations who would build the line.

APOSTATE NUN, DYING,  
RETURNS TO OLD FAITH

RICHMOND, Va., Aug. 19.—An impenetrable veil surrounds the life of Mrs. Josephine Andrews, who is slowly ebbing away at the city almshouse, and her secret is likely to be taken with her to the grave. Father Magri, of the Cathedral, was sent for and administered the last rite of the Catholic Church to the woman, but since then she has improved a little, and the physicians say she may live a day or two longer. Pretty Josephine Burnley, member of a prominent Virginia family, took the veil in her young womanhood and entered a Catholic convent at Frederick. After spending some time at the monastery, Miss Burnley became tired of the monotony of the convent life and made her escape to marry a man named Andrews, to whom she had lost her heart.

CASTORIA For Infants and Children,

FOREIGN MERCHANTSFrench, Germans, and Italians Are  
Locked Up.

PORT OF SPAIN, Trinidad, Aug. 19.—Authentic news was received here of the imprisonment of French, German, and Italian merchants at Ciudad Bolivar, Venezuela, which port was recently recaptured from the rebels by President Castro's troops.

The merchants are imprisoned for refusing President Castro's demand for the repayment of taxes already paid to the revolutionary, or de facto, government. The amount exceeds \$65,000. The merchants refused to recognize President Castro's decree abolishing Ciudad Bolivar as a port of entry, and declined to ship goods via Carupano.

The Venezuelan gunboat Miranda went to the district of Nutrias and exacted from the merchants forced contributions and fines amounting to \$50,000. The goods imported during the revolutionary regime were confiscated and double duties were imposed.

KIDNAPED A WOMAN;  
HELD HER FOR RANSOM

DAVENPORT, Iowa, Aug. 19.—Sheriff Barclay, of Tipton, Cedar county, yesterday captured August Leuth, a farm hand, who confessed that he kidnapped Mrs. John Telsow, of Bennett, and held her in the cellar of a deserted house while awaiting a ransom of \$50,000 from her husband. Leuth was taken at once to the jail at Tipton for fear of violence from excited neighbors of the Telsow family at Bennett.

She was aware that he greatly admired her, but was totally unprepared for the surprise that she experienced today.

## VIRGINIA.

Judge Witt, of the hustings court of Richmond has not made any reply to the request of the city Democratic committee, made through its chairman, to be allowed to copy the new registration rolls in order to hold the city primary under the new registration.

Mystery surrounds the life of Mrs. Josephine Andrews, who is dying at the Richmond almshouse, where she has lived off and on for some years. Occasionally she visits relatives, but all days ago the last sacrament was administered, but the aged woman has slightly improved since that time and may live for some days.

The Virginia-Carolina Chemical directors decided yesterday afternoon to pass the dividend on the common stock. One of the large buildings at St. Helena barracks for the landmen of the navy who are training at Norfolk is nearly completed, and another one begun. Two large barracks are to be occupied as temporary quarters until the Government makes an appropriation for the permanent buildings.

"Sam" Walton, who was arrested in Staunton several days ago and who is thought to be wanted in Richmond for stealing a team from James McDonough, but for whom the Richmond authorities have failed to call, will be taken to Lexington today to answer a similar charge.

Much interest is felt in the Democratic primary election which takes place in Orange county tomorrow. The contest for the nomination for the house of delegates is between James C. Graves, H. T. Holliday, Jr., and William S. Frazer. The former is the present delegate.

The seventy-fourth annual convention of the Virginia Synod of the Evangelical Lutheran Church began at Mount Jackson last night. The opening sermon was preached by the Rev. Dr. D. M. Bears the  
Signature ofKING OF SERBIA  
A MERE FIGUREHEAD

LONDON, Aug. 19.—An interesting sketch of the new King of Serbia is given in a Belgrade dispatch, published in the "Daily Mail." King Peter, says the correspondent, is prudent. He interests himself in every branch of the administration. He presides at every cabinet council and expresses his opinion unreservedly, but he permits the ministers to act freely and untrammelled. Unlike his predecessor, he refrains entirely from expressing any wish regarding appointments or dismissals—an unheard-of innovation in the Balkans. All letters addressed to the King, even from his relatives, seeking public appointments are invariably handed to the chiefs of the departments concerned, without even a suggestion from his majesty. Neither does he interfere in party politics nor exercise direct influence on the foreign policy of Serbia, which today is neither pronouncedly Russian nor decidedly pro-Austrian.

The King's private life is as simple and democratic as it was before his accession to the throne. He observes the court etiquette so long as it does not conflict with his democratic convictions.

LIVE SHELL FIRED  
AT WARSHIP FOR TEST

BREST, Aug. 19.—The experiment of firing a live shell at one of the turrets of the warship Suffren, with the object of ascertaining the effects on the mechanism of the turret and guns thereon, was carried out yesterday afternoon in the presence of Marine Minister Pelletan and numerous high naval officers. Three trial shots were fired by the turret ship Massena at targets erected on the Suffren. Then a fourth shell was fired at the turret of the Suffren. The shell struck the turret, which appeared to stand the test well. Fragments of the shell rebounded a long distance.

SUICIDE AS PENANCE  
FOR DISOBEDIENCE

DERBY, Conn., Aug. 19.—James Boland, superintendent of the Hopkins & Allen Manufacturing Company, in Norwich, found the body of his fourteen-year-old son Charles in the yard of his home yesterday morning. The boy had died of strangulation. Coroner Brown has pronounced death due to suicide. The dead boy, who was bright, popular, and hitherto obedient, ran away to the theater after his parents had forbidden him to go. He told a friend it was the first time he had disobeyed and he dared not return home.

DOMITIAN PEDESTAL  
UNEARTHED IN ROME

ROME, Aug. 19.—Excavators in the Roman Forum yesterday unearthed the base of the celebrated equestrian statue of the Roman Emperor Domitian. The discovery is of the greatest interest in determining the topography of the Forum in the first century of the empire. The base stands five feet below the present level of the Forum. It is forty feet long, twenty feet wide, and over ten feet high. On the top are three travertine blocks, showing where the feet of the horse stood. The fourth block is lacking, indicating that the right forefoot of the horse was raised. From the distance between the blocks it is calculated that the statue was six times life size.

DEMPSEY TO COACH  
GEORGETOWN CREWDepends Only Upon Alumni's  
Ability to Raise Funds.

It is stated on good authority that Dempsey will coach the Georgetown crew next year, provided a sufficient sum of money is subscribed by the alumni of the college to put a crew on the water.

Dempsey has agreed not to accept any contract to coach another crew until after a date set by the Georgetown rowing authorities, before which it is expected reports will have been received from the alumni associations throughout the country.

Circulars were long since sent out to all the alumni of the college, asking for subscriptions to the Georgetown navy, and it was at first feared that there would not be a sufficiently large subscription to maintain a crew and send it to Poughkeepsie. This report has been corrected, and there seems little doubt but that Georgetown will be represented on the water next year as it was this year.

TOD SLOANE'S PROPERTY  
SOLD BY FORECLOSURE

NEW YORK, Aug. 19.—Under a foreclosure sale the property of "Tod" Sloane, the former jockey, at Ocean Avenue and Avenue T, Sheepshead Bay, was knocked down to John J. Harrington, of 128 Sixth Avenue, Brooklyn, in the Brooklyn Real Estate Exchange yesterday.

The ground, which is 120x151 feet, cost Sloane \$6,000, and he built on it a Queen Anne cottage, and made other improvements costing about \$8,000. The price paid yesterday was \$2,800. The property was sold under the foreclosure of a mortgage for \$5,000, held by the Bond and Mortgage Guarantee Company, of Brooklyn.

NEBRASKA REPUBLICANS  
ENDORSE ROOSEVELTFavor John L. Webster for Vice  
President.

LINCOLN, Aug. 19.—Nebraska Republicans in State convention yesterday nominated the following ticket:

Associate Justice of the supreme court—John B. Barnes, of Madison county. Regents of the State University—Charles S. Allen, of Lancaster, and W. G. Whitmore, of Douglas.

An unexpected feature of the convention was the adoption by unanimous vote of a resolution declaring John L. Webster, of Omaha, one of the delegates to the convention and one of the well-known party leaders of the State, to be the choice of Nebraska Republicans for Vice President in 1904.

The platform begins with a declaration of congratulation on the overthrow of Bryanism in the home of its nativity, and continues:

"We congratulate not only ourselves, but the people at large, that the administration of our national affairs and our negotiations with foreign nations are being conducted by the courageous Republican President who knows no fear, who courts no favor, but who loves peace crowned with honor and in whose charge we have a feeling of perfect safety and security—a President whom the American people now desire to honor with a second term as the Chief Magistrate of the greatest and grandest nation of the earth—Theodore Roosevelt."

A TAME BOXING BOUT  
AT SOUTHERN CLUB"Black Bill" and Bob Long Do Not  
Please Audience.

PHILADELPHIA, Aug. 19.—"Black Bill," of Merchantville, N. J., and Bob Long, of Chicago, two husky colored middleweights, went through six rather disappointing rounds in the wind-up at the Southern Athletic Club last night. The bout resembled a wrestling match rather than a boxing contest, both men pulling and tugging until some one went to the floor. Long being the chief offender. What fighting was done, however, was in Bill's favor. Long looked frightened in the first round, and was on the floor three times during the round, partly from blows and slips, and for the next two rounds he was wholly on the defensive, failing to land an effective blow.

Kid Williams found "Hunk" Cannon the easiest kind of a mark, knocking him out with a stiff punch in the stomach in the fourth round.

In the preliminaries Eddie Haney made a mark of Kid Jackson for six rounds; Billy Manning and Harry Lewis fought six rounds to a draw, while the "Ping Pong" won from Tommy Carpenter in six good rounds.

FRANKIE NEIL MATCHED  
AGAINST TOMMY FELTZ

ST. LOUIS, Mo., Aug. 19.—Frankie Neil, of San Francisco, who knocked out Harry Forbes in two rounds, and Tommy Feltz have been matched for the world's bantamweight championship, the battle to take place before the Metropolitan Athletic Club, Detroit, October 14. This will be the first time Neil has fought east of San Francisco. The battle will be ten rounds. Feltz fights Johnny Ragan twenty rounds at Kansas City, August 24.

WIFE LAID BY RICHES;  
PINE BOX HER COFFIN

MORRISTOWN, N. J., Aug. 19.—When John Keenan, of Wharton, buried his wife last Thursday he was in sore straits for money, and he was compelled to inclose her body in a rude pine box. Now he has wealth, not millions, but several thousand dollars, all due to his wife's frugality during the half century of their married life. After her death he, unable to read, took some papers left by his wife to Charles Hance, proprietor of the Wharton Hotel. Among these Hance found one which read: "Monday, \$2 in the hen-coop. Friday, 29 cents in the chimney pot. Sunday, \$1.75 in the cellar. Tuesday, 53 cents in the cistern." In the hen-coop under a stone slab the men found a tin box full of coins. It contained nearly \$1,400.

THE KAISER DEMANDS  
AN INCREASED ARMY

BERLIN, Aug. 19.—There seems to be no doubt that the government, under the impulse of the Emperor, is determined to ask the reichstag for an increase in the permanent military establishment, by about 39,000 men, to be organized into two army corps, thus raising the standing army to about 647,000 officers and men. The increased annual charge is estimated at \$9,000,000, exclusive of equipment. The first consideration leading the government to propose what is certain to be an unpopular measure is that the military resources of the country are not fully utilized by the existing establishment.

FLOGGED TO DEATH  
IN CONVICT CAMP

ATLANTA, Ga., Aug. 19.—Mrs. W. J. Drake, of Milledgeville, Ga., has written a public letter, called forth as the result of the recent whipping of Mamie D. Cris, at the State prison farm, in which she charges that her sixteen-year-old son was whipped to death in a Florida convict camp, at Dutton. The incident happened, as she relates, in October, 1901. Her son ran away from home, and in company with two other boys, was arrested at Waldo, Fla. She says he was charged with carrying concealed weapons, though he had only an old iron trap wrapped in a piece of umbrella cover. He was given a sentence of sixty days and sent to the phosphate mines at Dutton.
